MEMORANDUM FOR: Deputy Director for Intelligence

SUBJECT : Inquiry from the Joint Committee  
on Atomic Energy for Evidence of  
NATO Nations Placing Classified  
Items on the Commercial Market

REFERENCE : OLC Inquiry of 27 March 1969

1. Reference forwarded an inquiry from the Joint Committee on Atomic Energy for indications that any items obtained through classified agreement with the United States or any items manufactured in France, Great Britain or the Netherlands classified NATO Secret or COSMIC had been placed on the market for commercial sale.

2. The European Division has produced no evidence that any such transactions have taken place, and we have no undissemminated information on this topic in our files.
